- SDP/SAP protocol support
- file browsing from USB and UPnP (via LAN & WLAN) for video and audio
- playback video from YouTube, MEGOGO.net, VK.net
- update software via USB and over network
- multilingual interface

## Technical specifications

T Y P E		VSA III +
Ordering number		01327
CPU		ARM A53, 1.5 GHz
Memory	DDR3	1 GB
	flash NAND	128 MB
	flash SPI	2 MB
Video decoding		MPEG-2, MPEG-4, H.264, H.265 (up to 4k/p60 HDR)
Audio decoding		MPEG-2, MP3, LPCM, etc
Multimedia	supported formats	player .mkv, .mov, .avi, m2ts, etc
		picture BMP, GIF, JPEG, PNG, TIFF
		USB storage NTFS, FAT, EXT3
Rear panel	HDMI	HDMI 2.0a CEC
	USB	USB 2.0
	Ethernet	RJ45 10/100 Mbit
	video-audio	TRRS connector 3.5 mm, CVBS (SD)
	IR external	TRRS connector 2.5 mm
	power	DC jack 1.7/4.0 mm
Wireless		WLAN 802.11 b/g/n dual channel 300 Mbit
Supply power		up to 10 W
Supply power on passive standby mode		up to 0.5 W
Powering		external AC/DC adapter 5 V 1.6 A
Operating temperature range		0°C ÷ +45°C
Dimensions/Weight (packed)		110x35x110 mm/0.55 kg
